DISTRICT GOVERNOR'S OFFICIAL VISIT

The office of the District Governor is the highest authority within our District. The Lion who holds this office, your District Governor, was chosen because of his/her exceptional talents and his/her dedication to Lionism. Accordingly, proper recognition and respect for the Lion who holds this office requires the careful attention of the Clubs within his/her District. No one means to be inconsiderate and, certainly not rude, but sometimes under certain circumstances we lack the information to guarantee a smooth meeting. The following list of suggestions may prove helpful.

1. Do not have any other programs during the District Governor's official visit. The Governor is the program.
2. Publicize your Governor's visit to ensure excellent attendance.
3. Have a member (preferably a Past President) meet the Governor and keep him/her entertained until dinner. It is a good practice to have him/her meet all the Lions present.
4. The following order of introduction should be used from the head table.
 - 1st Vice District Governor
 - 2nd Past District Governor
 - 3rd Cabinet Secretary
 - 4th Cabinet Treasurer
 - 5th Region Chairperson
 - 6th District Committee Chairperson
 - 7th Other Guests
 - 8th * Zone Chairperson (who will introduce the District Governor)
- * If the Zone Chairperson is not present the District Governor should be introduced by the Region Chairperson, Cabinet Secretary, Cabinet Treasurer, Vice District Governor or Club Officer in the foregoing order.
5. When the District Governor is introduced the club members should rise and applaud and in a like manner should also stand at the conclusion of his/her talk.
6. Even though the District Governor will most certainly be a good sport, it is not considered good taste to have the Tail Twister bother him/her to excess.
7. Remember that the District Governor would like to meet with your entire Board of Directors and any other interested club members immediately after your regular meeting. Try to have 100% attendance to permit the Governor to be able to respond and offer the best possible assistance. It would be appreciated if special problems or questions are made known to the Governor in advance of his/her visit.
8. Your District Governor welcomes suggestions for improvements in the administration of the District. Any ideas of suggested special projects that will encourage more individual involvement by any LION of District 24-C will be well received by your Governor.

SUGGESTED HEAD TABLE FOR CLUB MEETING

T 3 VP 1VP PC GS SS P PP 2VP S C

Table

A U D I E N C E

CODE:

P	President
VP	Vice President (1 st , 2 nd , or 3 rd)
GS	Guest Speaker
PC	Program Chairperson (or introducer)
PP	Immediate Past President
S	Secretary
T	Treasurer
C	Chaplain

Other guests should be seated at a reserved table with an assigned club host or hostess.

SEATING GUESTS - When seating guests of a head table, seat the first ranking guest to the right of the presiding officer, second ranking guest to the left of the presiding officer, etc. The toastmaster or the presiding officer should always be seated to the left of the speaker's stand and the speaker should always be seated to the right of the speaker's stand.

At meetings where ladies are present, it is good practice to seat men at the ends of the had table. The speaker's table should not be too long. Honored guests not seated at the speaker's table should be placed in front of the speaker's table. **DO NOT HAVE** any vacant chairs at the head table. **DO NOT SEAT** on both sides of the table.

LIONS CODE OF ETHICS

TO SHOW my faith in the worthiness of my vocation by industrious application to the end that I may merit a reputation for quality of service.

TO SEEK success to demand all fair remuneration or profit as my just due, but to accept no profit or success as the price of my own self-respect lost because of unfair advantage taken or because of questionable acts on my part.

TO REMEMBER that in building up my business it is not necessary to tear down another's; to be loyal to my clients or customers and true to myself.

WHENEVER a doubt arises as to the right or ethics of my position or action towards my fellow man, to resolve such doubt against myself.

TO HOLD friendship as an end and not a means. To hold that true friendship exists not on account of the service performed by one to another, but that true friendship demands nothings but accepts service in the spirit in which it is given.

ALWAYS bear in mind my obligations as a citizen to my nation, my state and my community, and to give them my unswerving loyalty in word, act and deed. To give them freely of my time, labor and means.

TO AID my fellow men by giving my sympathy to those in distress, my aid to the weak, and my substance to the needs.

TO BE CAREFUL with my criticism and liberal with my praise; to build up and not destroy.

LIONS CLUBS INTERNATIONAL OBJECTIVES

TO CREATE and foster a spirit of understanding among the people of the world.

TO PROMOTE the principles of good government and good citizenship.

TO TAKE an active interest in the civic, cultural, social and moral welfare of the community.

PROTOCOL

Protocol is the code of etiquette, ceremony and procedure. It is acceptable procedure and order in all club meetings, so that when expanded for special occasions, club will treat visiting dignitaries with proper respect.

Protocol and courtesy go hand in hand. Courtesy being a “favor performed with politeness” and is always in order. Guests will appreciate it, and new members, who are made to feel welcome, will feel at home and part of the club. The same rules of courtesy you use in your home should apply to your club. Because we are the world’s largest and most active civic organization, we should and must be concerned about proper and courteous procedures. They tend to instill confidence in the club’s officers and members, create a dignified image of the club in the eye of the visitors, and make the community aware of our concern and efficiency.
